

REDUCTION IN PROFESSIONAL STAFF WORK FORCE

A decrease in enrollment, abolition of particular subjects, a decrease in the School Board's budget as approved by the appropriating body, a consolidation of schools, the phasing out of programs, departments or grade levels and other conditions may cause a reduction in the number of staff needed in a building, program or department or in the entire school division.

General reduction in total personnel and redistribution of personnel within designated programs is done in accordance with Reduction in Force (RIF) Guidelines established by the superintendent and reviewed and approved by the School Board. The Guidelines will not provide for reductions to be made solely on the basis of seniority; they will include consideration of the performance evaluations of the teachers potentially affected by the reduction in workforce.
